Read:-

From the Engineer- In- Chief, RWS&S Department, Hyderabad,
Lr. No.AEE3/SWSM/SSSC- Sanction/2012, dt. 17.11.2012.

ORDER:-

The Engineer-in-Chief, Rural Water Supply & Sanitation Department, Hyderabad in the reference read above has submitted certain proposals for sanction of funds under NBA with a funding pattern of 70:30 (GOI: State) and the details are as follows as recommended by State Scheme Sanctioning Committee (SSSC).

1. 12150 additional School Toilet units for an amount of Rs. 4252.50 Lakhs (Annexure- I).
2. 23167 additional Anganwadi toilet units for an amount of Rs. 1889.36 Lakhs. (Annexure- II)
3. SLWM Projects for 3482 GPs for an amount of Rs. 55385.00 Lakhs. (Annexure- III- A and Annexure- III- B)

2. The proposals of RAIP 2012- 13 and the revised proposals and objectives of the IHHLs were also cleared by SSSC. It was also decided to address GOI for ratification of RAIP proposals by SSSC as directed in NBA meetings by Joint Secretary concerned in Delhi. In the SSSC meeting the following decisions were taken :

1. The Project Director, SWSM was requested to obtain requirement of IHHLs from the Housing Department.
2. It was decided to communicate the proposed list of School and Anganwadi toilets in RAIP 2012- 13 to the Superintending Engineers, RWS&S and instruct them to take administrative sanctions from the District Collectors for the works duly reconciling with the line departments and on ground position before grounding works.
3. RVM Department agreed to take up construction of School toilets and providing water supply facilities to schools including Operation and Maintenance (O&M) based on sanctions given by RWS&S.
4. It was decided to take up toilet units in the Anganwadi Buildings located in the rent free buildings in addition to Government buildings if and only the WD&CW Department certifies that the rent free building is available to them for a minimum period of 10 years. Superintending Engineers, RWS&S are to ensure before groundings.
5. It was informed to WD&CW Department that the RWS&S Department will take up the construction of Toilet units and they should take all steps for maintenance of toilets through Panchayats and get resolutions to this effect before grounding the toilets.
6. For SLWM Projects, all the Member Secretaries and Superintending Engineers, RWS&S shall take the resolutions from the concerned GPs that they will maintain after completion of Projects. The Superintending Engineers shall also examine that the financial capabilities of GPs for sustainability of SLWM Projects before taking up works and modify proposals accordingly.

(contd..2)

3. The Government of Andhra Pradesh has provided Rs.47.00 crores as the State matching share under NBA programme for the year 2012-13. Since it is found difficult to utilize State Matching Share through PAO system, the Project Director, State Water and Sanitation Mission shall immediately propose suitable modifications.

4. Government vide GO Ms. No. 250, PR & RD (RD.II) Dept., dated 27.8.2012 has issued orders for convergence in construction of ISLs between Nirmal Bharat Abhiyan (NBA) and Mahatma Gandhi National Rural Employment Guarantee Scheme (MGNREGS). Since this programme needs a lot of motivation, there is a lot of gap between sanctions and completions. Therefore, it was recommended by SSSC to go for sanctions of about 13 lakh ISL units. More over as per Supreme Court directions all schools and Anganwadi Centers have to be provided with toilet and water facility by 31st March, 2013. Therefore, an amount of Rs.18.89 crores for Anganwadi Centre toilets and an amount of Rs.42.52 crores for school toilets has been approved by the SSSC (as decided by SWSM meeting headed by CS in July 2012). More over, for all the GPs in which 100% toilets have been constructed or will be constructed in 2012-13, have to be taken up for solid liquid waste management programme as per the NBA guidelines. Hence 3482 GPs have been selected for taking up SLWM with an estimated cost of Rs.553.85 crores as per NBA guidelines. Hence, the revised Annual Action Plan for 2012-13 was prepared as per new NBA guidelines issued by the Govt. of India and also approved in State Scheme Sanctioning Committee. Since the financial year 2012- 13 is in last quarter it is not possible to do much expenditure. But the sanctions will give necessary impetus to the programme so that substantial progress can be achieved in 2013-14. Therefore, the SSSC has approved a total revised AIP of Rs.1196.83 crores as per Annexure- 4. Out of this, a central share of Rs.841.91 crores and a state share of Rs.354.92 crores is required, over next three financial years as proposed below.

**NBA
Proposed Expenditure Plan**

| Year | Total Expenditure (Crores) (including GOI share) | State share (Crores) |
|----------|---|-------------------------|
| 2012- 13 | 157 | 47 |
| 2013- 14 | 300 | 90 |
| 2014- 15 | 450 | 135 |
| 2015- 16 | 289.83 | 82.92 |

5. In the last 3 years, the expenditure under TSC programme has been Rs. 281.55 crores (Rs.64.71 crores in 2009-10, Rs.101.9 crores in 2010-11, Rs.114.9 crores in 2011-12). Higher sanctions in State Scheme Sanctioning Committee (SSSC) meeting was recommended to protect Government of India allocations in future years.

6. Government after careful examination, hereby approve the Implementation Plan for an amount of Rs.1196.83 crores under Nirmal Bharat Abhiyan (NBA) including planned expenditure spread over next 3 years as shown above in the Table. Modifications to this proposals can be proposed in future years based on actual achievements.

7. The Engineer- In- Chief, RWS&S and Project Director, State Water and Sanitation Mission is directed to take necessary action as directed above.
